About Us

Aikotaan, a socio cultural organisation was set up in 2001. We have been organising Durga Puja, Kali Puja etc. with great religious fervor every year since then. Durga Puja is the main event where we have footfall in lakhs. Besides puja, there are cultural events, sports and competition, community bhog and prasad distribution and it is attended by all sections of the society.

Besides the Puja, Aikotaan feels its responsibility towards the society and is engaged in various activities like medical camps, encouraging differently abled children by providing them a platform to showcase their talents, Relief activities (during Covid and Natural Calamities). All this is made possible by the untiring selfless efforts put in by our volunteers.

We welcome everyone to come forward and either be a part of our organisation or provide a helping hand to support our activities.
